

Police Activity at High Country Subdivision, August 2009 - January 2010

Notes:

1. The source for these data is RRPD's Computer Aided Dispatch database, which tracks calls as they come into the Police Department. As such, these data are limited in that actual call natures or dispositions may not be accurately captured.
2. All major crime categories are included in the analysis. Thus, if a category does not appear, the subdivision produced no calls in that category.
3. All traffic stops and animal-related calls have been screened from this analysis.
4. Portions of the 2500-2600 blocks of High Country Boulevard outside the subdivision are included due the structure of the data tables, as have portions of the 3000 block of Hill Street, and the 2600 block of Andres Way.
