

ROUND ROCK BY THE NUMBERS

FY 2024 Quarter 2

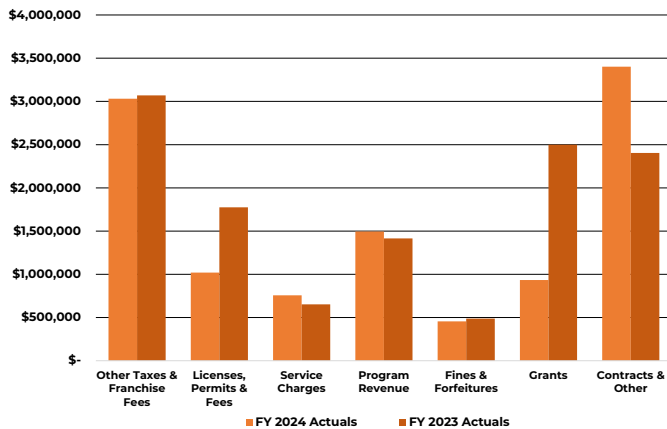

Citywide Sales Tax, Net of Incentives

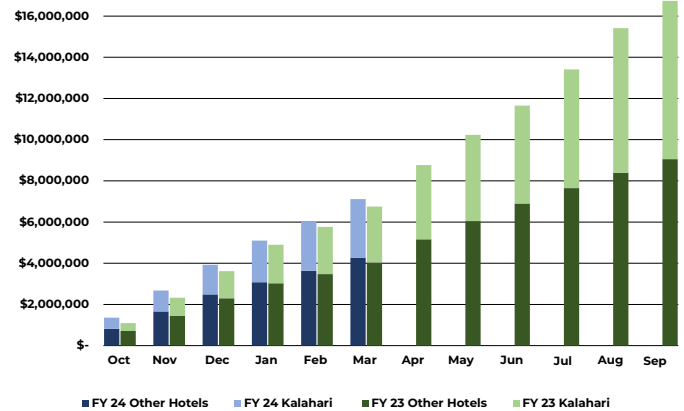

Property Tax

Other General Fund Revenues

HOT & Venue Tax, Prior to Incentives

Comments

Sales Tax

- Citywide total sales tax collections, net of all incentives, increased 5.7% over the prior year. However, FY 2024 first quarter sales tax includes \$3.1M for amended returns from FY 2023. When adjusted out, the citywide collections increased 1.9%. Dell receipts, net of incentives and adjustments factored out, decreased 13.6%

Property Tax

- Most property tax collections occur November through February each year. Property tax collections are higher than the prior year due to the 8.1% tax rate increase for FY 2024 and new properties added.

Other General Fund Revenues are trending as follows:

- License, Permits, and Fees* decreased 42.5% over last year. Due to the nature and timing of projects, revenues can fluctuate widely from quarter to quarter and year to year.
- Service Charges* increased 16%. This is due to the adopted rate increase that took place October 2023 for residential garbage services and late fees being waived the first quarter of FY 2023 while the City implemented its new customer payment portal. Also, FY 24 has seen a significant increase in lot clearing services, including one large lien payoff.
- Program Revenues* increased 5.7%. This is attributed to higher participation in City programs at CMRC and the Library.
- Fines and Forfeitures* revenues decreased 6.5% due to fewer citations and cases filed than last year.
- Grants* have decreased 62.7%. In FY 2023, the City received two large reimbursements due to COVID vaccination clinics and wildfire deployments. Also, a one-time ARPA reimbursement was received for CRU vehicles.
- Contracts and Other* increased 41.5%. This is due to higher interest earnings and insurance proceeds collected from the hailstorm.

Hotel Occupancy & Venue Tax revenues for FY 2024 have increased 5.4% over prior year. This is due to an additional hotel opening adding 119 rooms along with higher average daily room rates.

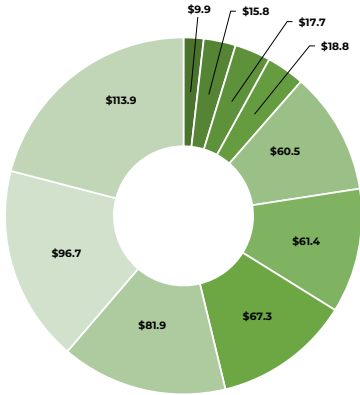

- The majority of Kalahari HOT tax revenues (7%) are used to pay debt and incentives per the agreement. Venue tax revenues (2%) from Kalahari are not part of the incentive agreement and stay in the Sports Center Fund.

Water, Wastewater, and Stormwater revenues are trending in line with budget.
