

# STRC Plan Submittal Requirements

---

Plan sets are to be attached in electronic format to the permit application record and should encompass all the below information:

1. Plans must describe the location of the intended work site, the size thereof, the purpose therefor, firm/corporation doing the actual work, name of the person doing work, firm/corporation/individual for whom or which the work is being done; and shall contain an agreement that the applicant will comply with all ordinances and laws relating to the work to be done.
