ARTICLE VIII

Economic Development Incentive Facade Grant

1. Facade Grant. In consideration of and subject to the Grant Recipient's compliance with all of the terms, provisions, covenants, conditions and obligations of this Agreement, the City shall, as an economic development incentive, provide to the Grant Recipient a facade grant in the Maximum Grant Amount for this Agreement set forth herein (the "**Facade Grant**").

2. Payment of Façade Grant. Provided all Grant Reimbursement Conditions Precedent have been satisfied and are then continuing, and subject to the covenants and limitations set forth in this Agreement, the City will pay the Façade Grant to the Grant Recipient in a single payment reimbursement within sixty (60) days after the later of the following dates: (i) the date the Grant Recipient timely submits a Reimbursement Request; and (ii) the date the Grant Recipient has satisfied all Grant Reimbursement Conditions Precedent.

3. Funds Available for Payment of Facade Grant. The Facade Grant is not secured by a pledge of ad valorem taxes or financed by the issuance of any bonds or other obligations payable from ad valorem taxes of the City. The Facade Grant shall be payable only from the General Fund, and shall be subject to the availability of grant funds and the approval of funds for such purpose in the fiscal year for which the Façade Grant is approved. This Article VIII, Section 3 shall expressly survive the expiration or termination of this Agreement.

ARTICLE IX

Defaults Recapture of Incentives Remedies

1. Grant Recipient's Default. Grant Recipient shall be in default of this Agreement: (i) upon the occurrence of an Event of Bankruptcy or Insolvency of the Grant Recipient; (ii) upon any assignment of this Agreement by the Grant Recipient in violation of Article X, Section 3 of this Agreement; or (iii) upon the failure of the Grant Recipient to timely keep or perform any term, provision, agreement, covenant, condition or obligation to be kept or performed by Grant Recipient under the terms of this Agreement and such failure continues for thirty (30) days after written notice by the City to the Grant Recipient (each a "**Grant Recipient Default**").

2. City Default. City shall be in default of this Agreement upon the failure of the City to timely keep or perform any term, provision, agreement, covenant, condition or obligation to be kept or performed by the City under the terms of this Agreement and such failure continues for thirty (30) days after written notice by the Grant Recipient to the City (each a "**City Default**").

3. City Remedy for Grant Recipient's Deviation from the Work. Any deviation from the Work without the prior written consent of the City may, in the City's sole discretion, result in the forfeiture by the Grant Recipient of the Façade Grant and in such event the City shall have the right to terminate this Agreement by written notice to the Grant Recipient and neither Party hereto shall have any further rights

or obligations under this Agreement except for those that expressly survive the termination of this Agreement.

4. City Remedy for Grant Recipient's Alteration of Façade, Awning or Sign Work. If Grant Recipient alters any façade, sign or awning improvements completed as part of the Work within one (1) year after the date the City's building and code inspectors have confirmed in writing that the Work complies with all plans, approvals, building permits and sign permits issued in connection with the Work or, if the Grant Recipient is a tenant with a remaining lease term of less than one (1) year, during the remainder of the Grant Recipient's lease term, without the prior written consent of the City, the Grant Recipient shall repay to the City all or a portion of the Façade Grant as determined by the City in the City's sole discretion, within thirty (30) days after written demand by the City. In the event the Grant Recipient fails to timely pay the sum demanded by the City pursuant to this Article IX, Section 4, the Grant Recipient shall be in breach of this Agreement and the City shall have the right, without further demand or notice to the Grant Recipient, to exercise any and/or all rights and/or remedies available to the City pursuant to the laws of the State of Texas including, without limitation, institution of a suit in a court of competent jurisdiction, to collect such sum.

5. City Remedy for Grant Recipient's Failure to Maintain, Repair or Replace Improvements. If Grant Recipient fails to timely comply with the Grant Recipient's covenants to maintain, repair and/or replace improvements completed as part of the Work as more fully set forth in Article VI, Sections 10, 11 or 12 of this Agreement, the Grant Recipient shall repay to the City all or a portion of the Façade Grant as determined by the City in the City's sole discretion, within thirty (30) days after written demand by the City. In the event the Grant Recipient fails to timely pay the sum demanded by the City pursuant to this Article IX, Section 5, the Grant Recipient shall be in breach of this Agreement and the City shall have the right, without further demand or notice to the Grant Recipient, to exercise any and/or all rights and/or remedies available to the City pursuant to the laws of the State of Texas including, without limitation, institution of a suit in a court of competent jurisdiction, to collect such sum.

6. City's Additional Remedies. In addition to the remedies set forth in Article IX, Sections 3, 4 and 5 above, in the event of a Grant Recipient Default, the City shall have the right to terminate this Agreement by written notice to the Grant Recipient in which event neither Party hereto shall have any further rights or obligations hereunder except for those that expressly survive the termination of this Agreement and the City shall further have the right to exercise any and/or all other rights and remedies available to the City under this Agreement and/or pursuant to the laws of the State of Texas, provided, however, the City shall not be entitled to the recovery of attorney's fees [except in the event of the exercise of the City of the remedies set forth in Chapter 2264 of the Texas Government Code] or consequential, punitive, exemplary or speculative damages.

7. Grant Recipient Remedy. Upon the occurrence of a City Default, the Grant Recipient shall have the right to terminate this Agreement by written notice to the City in which event neither Party hereto shall have any further rights or obligations hereunder except for those that expressly survive the termination of this Agreement. The City and the Grant Recipient acknowledge and agree that this Agreement is not a contract for goods or services and the City's immunity from suit is not waived pursuant to Subchapter I of Chapter 271, V.T.C.A., Local Government Code, as amended. Alternatively, if and only in the event a court of competent jurisdiction determines the City's immunity from suit is waived under Subchapter I of Chapter 271, V.T.C.A., Local Government Code, the Parties hereby acknowledge and agree that in a suit against the City for breach of this Agreement:

- (i) the total amount of damages, if any, awarded against the City shall be limited to actual damages in an amount not to exceed the amount of the Façade Grant;
- (ii) the recovery of damages against the City shall not include consequential, punitive, exemplary, or speculative damages;
- (iii) the Grant Recipient shall not recover attorney's fees; and
- (iv) the Grant Recipient shall not be entitled to specific performance or injunctive relief against the City.

8. Survival. All terms, provisions, agreements, covenants, conditions, obligations, rights and remedies of each Party pursuant to this Article IX shall expressly survive the expiration or termination of this Agreement.

ARTICLE X

Miscellaneous Provisions

1. Indemnity. THE GRANT RECIPIENT HEREBY INDEMNIFIES AND AGREES TO HOLD HARMLESS THE CITY, THEIR OFFICIALS, OFFICERS, AGENTS AND EMPLOYEES (EACH AN **"INDEMNITEE"**) FROM AND AGAINST ANY AND ALL CLAIMS, DAMAGES, LOSSES, CAUSES OF ACTION, LAWSUITS AND LIABILITIES OF EVERY KIND AND CHARACTER INCLUDING, WITHOUT LIMITATION, COURT COSTS, ATTORNEYS' FEES AND COSTS OF LITIGATION, FOR PERSONAL INJURY (INCLUDING DEATH) OF ANY PERSON OR FOR DAMAGE TO OR LOSS OF PROPERTY ARISING OUT OF OR IN CONNECTION WITH ANY ACT OR OMISSION OF THE GRANT RECIPIENT OR THE GRANT RECIPIENT'S OFFICERS, AGENTS, EMPLOYEES, CONTRACTORS, SUBCONTRACTORS AND THE CONTRACTORS' AND SUBCONTRACTORS' EMPLOYEES, IN CONNECTION WITH THE DESIGN, CONSTRUCTION, WORKMANSHIP AND PERFORMANCE OF THE WORK DESCRIBED IN THE GRANT APPLICATION (EXCEPT WHEN SUCH LIABILITY, CLAIMS, SUITS, COSTS, INJURIES, DEATH OR DAMAGES ARISE FROM OR ARE ATTRIBUTED TO THE SOLE NEGLIGENCE OR WILLFUL MISCONDUCT OF AN INDEMNITEE). NOTHING CONTAINED IN THIS ARTICLE X, SECTION 1 SHALL CONSTITUTE A WAIVER OF ANY GOVERNMENTAL IMMUNITY OR DEFENSE AVAILABLE TO ANY INDEMNITEE UNDER TEXAS LAW. This indemnity shall expressly survive the expiration or termination of this Agreement.

2. Project Promotion. The Grant Recipient hereby authorizes the City to promote the project described in the Grant Application including, without limitation, displaying a sign at the Building during and after construction and performance of the Work identifying participation in the Façade Improvement Program and using photographs, illustrations and descriptions relating to the project in the City's printed promotional materials, press releases and websites.

3. Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the Parties hereto, their respective successors and permitted assigns provided, however, notwithstanding anything contained herein to the contrary, this Agreement and the rights and obligations of the Grant Recipient hereunder may not be assigned or transferred by the Grant Recipient to any Person without the prior written consent of the City which may be withheld in the City's sole discretion. In the event the Grant Recipient is a corporation or limited liability company, the sale, transfer or assignment of a controlling interest in the shares of the Grant Recipient or the sale, transfer or assignment of a controlling interest in the membership interests of the Grant Recipient shall constitute an assignment of this Agreement and

5. Right to Offset. The City shall have the right to offset any amounts due and payable by the City under this Agreement against any debt (including taxes) lawfully due and owing by the Grant Recipient to the City regardless of whether the amount due arises pursuant to the terms of this Agreement or otherwise, and regardless of whether or not the debt has been reduced to judgment by a court.

6. Captions. The descriptive captions of this Agreement are for convenience of reference only and shall in no way define, describe, limit, expand or affect the scope, terms, conditions, or intent of this Agreement.

7. Modification. This Agreement may only be revised, modified or amended by a written document signed by the City and the Grant Recipient. Oral revisions, modifications or amendments are not permitted.

8. Interpretation. Regardless of the actual drafter of this Agreement, this Agreement shall, in the event of any dispute over its meaning or application, be interpreted fairly and reasonably, and neither more strongly for or against any Party.

9. Waivers. All waivers, to be effective, must be in writing and signed by the waiving Party. No failure by any Party to insist upon the strict or timely performance of any covenant, duty, agreement, term or condition of this Agreement shall constitute a waiver of any such covenant, duty, agreement, term or condition. No delay or omission in the exercise of any right or remedy accruing to any Party upon a Default of this Agreement shall impair such right or remedy or be construed as a waiver of any such breach or a waiver of any breach theretofore or thereafter occurring.

10. Governing Law; Venue. This Agreement shall be governed by, construed and enforced in accordance with the laws of the State of Texas (without giving effect to any conflict of law principles that would result in the application of the laws of any state other than Texas). The Parties agree that venue of any suit to construe or enforce this Agreement shall lie exclusively in state courts in Williamson County, Texas.

11. **WAIVER OF CONSEQUENTIAL, PUNITIVE OR SPECULATIVE DAMAGES. THE GRANT RECIPIENT AND THE CITY AGREE THAT, IN CONNECTION WITH ANY ACTION, SUIT OR PROCEEDING ARISING FROM OR RELATING TO THIS AGREEMENT, EACH PARTY MUTUALLY WAIVES TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY CLAIM FOR CONSEQUENTIAL, PUNITIVE OR SPECULATIVE DAMAGES.**

12. Attorney's Fees. In the event any legal action or process is commenced to enforce or interpret provisions of this Agreement, the prevailing party in any such legal action shall not be entitled to recover its necessary and reasonable attorneys' fees and expenses incurred by reason of such action.

13. Severability. The sections, paragraphs, sentences, clauses, and phrases of this Agreement are severable and, if any phrase, clause, sentence, paragraph, or section of this Agreement should be declared invalid, illegal or unenforceable by the final judgment or decree of any court of competent jurisdiction, such invalidity shall not affect the validity or enforceability of any of the remaining phrases, clauses, sentences, paragraphs, and sections of this Agreement and such remaining provisions shall remain in full force and effect and shall be construed and enforced as if the invalid provision had never been included in the Agreement.

14. No Partnership or Joint Venture. Nothing contained in the Grant Application or this Agreement shall be deemed or construed by the Parties hereto, nor by any third party, as creating the relationship of partnership or joint enterprise between the Parties. The Grant Recipient is not the agent or servant of the City. The doctrine of respondent superior shall not apply between the City and the Grant Applicant, or between the City and any officer, director, member, agent, employee, contractor, subcontractor, licensee, or invitee of the Grant Recipient.

15. No Acceleration. All amounts due pursuant to this Agreement and any remedies under this Agreement are not subject to acceleration.

16. No Third-Party Beneficiaries. The Parties to this Agreement do not intend to create any third-party beneficiaries of the contract rights contained herein. This Agreement shall not create any rights in any individual or entity that is not a signatory hereto. No Person who is not a party to this Agreement may bring a cause of action pursuant to this Agreement as a third-party beneficiary.

17. Number and Gender. Whenever used herein, unless the context otherwise provides, the singular number shall include the plural, the plural the singular, and the use of any gender shall include all other genders.

18. Counterparts. This Agreement may be executed in any number of original, facsimile or electronically-scanned counterparts, each of which shall be considered an original and all of which shall be considered one and the same instrument.

19. Entire Agreement. This Agreement sets forth the entire agreement between the Parties with respect to the subject matter hereof, and all prior discussions, representations, proposals, offers, and oral or written communications of any nature are entirely superseded hereby and extinguished by the execution of this Agreement. There are no oral agreements between the Parties.

20. Authority. The Grant Recipient represents that the Grant Recipient has the full power and authority to enter into and fulfill the obligations under this Agreement and that the Person signing this Agreement on behalf of the Grant Recipient has the authority to sign this Agreement on behalf of the Grant Recipient.

21. Usury Savings Clause. The Grant Recipient and City intend to conform strictly to all applicable usury laws. All agreements of the City and the Grant Recipient are hereby limited by the provisions of this Article X, Section 21 which shall override and control all such agreements, whether now existing or hereafter arising and whether written or oral. In no event shall any interest contracted for, charged, received, paid or collected under the terms of this Agreement exceed the Maximum Lawful Rate

or amount of non-usurious interest that may be contracted for, taken, reserved, charged, or received under applicable law. If, from any possible development of any document, interest would otherwise be payable to City in excess of the Maximum Lawful Rate, any such construction shall be subject to the provisions of this Article X, Section 21 and such document shall be automatically reformed and the interest payable to the City shall be automatically reduced to the Maximum Lawful Rate, without the necessity of execution of any amendment or new document. If the City shall ever receive anything of value which is characterized as interest under applicable law and which would apart from this provision be in excess of the Maximum Lawful Rate, an amount equal to the amount which would have been excessive interest shall at the option of the City be refunded to Grant Recipient or applied to the reduction of the principal amount owing under this Agreement or such document in the inverse order of its maturity and not to the payment of interest. The right to accelerate any indebtedness does not include the right to accelerate any interest which has not otherwise accrued on the date of such acceleration, and City does not intend to charge or receive any unearned interest in the event of acceleration. All interest paid or agreed to be paid to the City shall, to the extent permitted by applicable law, be amortized, prorated, allocated and spread throughout the full stated term (including any renewal or extension) of such indebtedness so that the amount of interest on account of such indebtedness does not exceed the Maximum Lawful Rate.

22. Date for Performance. If the time period by which any act required hereunder must be performed falls on a Saturday, Sunday, legal or City holiday, then such time period shall be automatically extended through the close of business on the next regularly scheduled business day.

23. Form 1295 Certificate. The Grant Recipient agrees that if V.T.C.A, Government Code, §2252.908 applies to the Grant Recipient, the Grant Recipient will go online with the Texas Ethics Commission to complete a Form 1295 Certificate and will print and execute the completed certificate in such form as is required by V.T.C.A., Government Code, Section 2252.908 and the rules of the Texas Ethics Commission and provide to the City, at the time of delivery of an executed counterpart of this Agreement, a duly executed and completed Form 1295 Certificate.

24. Anti-Boycott Verification. The Grant Recipient hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other "affiliates" (as hereinafter defined), if any, do not boycott Israel and, to the extent this Agreement is a contract for goods or services, will not boycott Israel during the term of this Agreement. The foregoing verification is made solely to comply with V.T.C.A., Government Code, §2270.002, and to the extent such Section does not contravene applicable Federal law. As used in the foregoing verification, "boycott Israel" means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes. The Grant Recipient understands "affiliate" for purposes of this Article X, Section 24 means an entity that controls, is controlled by, or is under common control with the Grant Recipient and exists to make a profit.

25. Iran, Sudan and Foreign Terrorist Organizations. The Grant Recipient represents that neither it nor any of its parent company, wholly- or majority-owned subsidiaries, and other "affiliates" (as hereinafter defined) is a company identified on a list prepared and maintained by the Texas Comptroller of Public Accounts under V.T.C.A., Government Code, §2252.153 or §2270.0201, and posted on any of the following pages of such officer's internet website: <https://comptroller.texas.gov/purchasing/docs/sudan->

[list.pdf](#), <https://comptroller.texas.gov/purchasing/docs/iran-list.pdf> or <https://comptroller.texas.gov/purchasing/docs/fto-list.pdf>. The foregoing representation is made solely to comply with V.T.C.A., Government Code, §2252.152, and to the extent such Section does not contravene applicable Federal law and excludes the Grant Recipient and each of its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, that the United States government has affirmatively declared to be excluded from its federal sanctions regime relating to Sudan or Iran or any federal sanctions regime relating to a foreign terrorist organization. The Grant Recipient understands “affiliate” for purposes of this Article X, Section 25 means any entity that controls, is controlled by, or is under common control with the Grant Recipient and exists to make a profit.

26. Execution of Agreement by Parties. If this Agreement is not executed by both the Grant Recipient and the City within thirty (30) days after the Grant Approval Date, this Agreement will be null and void and of no force or effect.

27. Time is of the Essence. THE PARTIES SPECIFICALLY AGREE THAT TIME IS OF THE ESSENCE OF EACH AND EVERY PROVISION OF THIS AGREEMENT AND EACH PARTY HEREBY WAIVES ANY RULE OF LAW OR EQUITY WHICH WOULD OTHERWISE GOVERN TIME OF PERFORMANCE.
